

DEAR GROCERY STORE MANAGER,

I am a huge fan of Joseph's products and would like to request that you begin carrying them. They make a variety of breads including pita, lavash and wraps that are delicious and nutritious. I have found Joseph's products at other stores in the area, and would greatly appreciate the convenience of purchasing them locally from your market.

Thank you very much for considering my request!

PITA

Joseph's pita is based on an authentic Syrian recipe handed down through multiple generations. We've updated it with healthful ingredients like whole grains, flaxseed, and oat bran, for the ultimate, lower-calorie alternative to sandwich bread.
